
MIDDLEFIELD MUTUAL FUNDS – New Funds Offered

Middlefield Mutual Funds Limited is now offering two new funds: Income Plus Class, a balanced high income fund, and Equity Index Plus Class, a large cap Canadian equity fund. To assist in processing transactions for the new funds, the following is the information you will require.

Both of our new funds are RRSP eligible and are not foreign content. They are available for sale on either a Front End or Deferred Sales Charge basis. **As they are share classes of the same Corporation as our Growth Class, switches between classes can therefore be effected without triggering capital gains for tax purposes.**
