

Rollover of MRF 2021 Resource Limited Partnership

Middlefield Mutual Funds Limited (the “Mutual Fund”) is pleased to announce that it has completed the rollover of **MRF 2021 Resource Limited Partnership** (the “Partnership”) into the Middlefield Income Plus Class (the “Mutual Fund” or “Income Plus”) mutual fund. **The Partnership was dissolved on February 15, 2023.**

The final net asset value per Class A unit of the Partnership was \$11.84. Investors that held Class A units of the Partnership can determine their Mutual Fund shareholdings by multiplying the number of their Class A units held in the Partnership by 0.717125. Series A shares of the Mutual Fund (MID 800) have now been credited to the accounts of beneficial holders of Class A units of the Partnership. The adjusted cost base of the Series A shares of Income Plus distributed to Partnership investors is \$10.3507 per share.

The final net asset value per Class F unit of the Partnership was \$12.35. Investors that held Class F units of the Partnership can determine their Mutual Fund shareholdings by multiplying the number of their Class F units held in the Partnership by 0.625227. Series F shares of the Mutual Fund (MID 801) have now been credited to the accounts of beneficial holders of Class F units of the Partnership. The adjusted cost base of the Series F shares of Income Plus distributed to Partnership investors is \$14.0102 per share.

There are no fees charged on the rollover into the Mutual Fund, nor on redemptions of Mutual Fund shares. **For those investors looking for a tax shelter in 2023, please be advised that MRF 2023 Resource Limited Partnership** has filed a prospectus for an initial public offering.

The objective of Income Plus is to provide a stable level of income and growth while emphasizing capital preservation. The Fund invests in a diversified portfolio consisting primarily of North American dividend paying equity and fixed income securities. **Income Plus has never missed a monthly dividend, which is currently \$0.075 per share.**

The dissolution will provide investors in MRF 2021 with liquidity and the ability to diversify their holdings by participating in a large mutual fund family. There are twelve available mutual funds providing significant flexibility to suit numerous investment objectives including income, growth and safety of capital. In addition to Income Plus, the other funds currently offered are Healthcare Dividend, INDEXPLUS, Global Infrastructure, Canadian Dividend Growers, U.S. Equity Dividend, Global Dividend Growers, Real Estate Dividend, Global Energy Transition, Global Agriculture, Innovation Dividend and High Interest Income. Investors should consult their advisors to determine the strategy that is most suitable for them for the achievement of their own personal needs and objectives.
