24 March 2025

Dear Sir or Madam

Notices of the AGMs

Introduction

The Board of Directors has resolved to convene the AGMs to be held on Thursday, 19 June 2025 and Notices of the Cell AGM and the Cell and Company AGM are set out on pages 6 to 8 and 9 to 10 of this document respectively.

The purpose of this circular is to provide you with details as to the procedure to be followed in respect of this year's AGMs, to explain the proposed resolutions and to set out the reasons why the Directors are recommending that you vote in favour of all resolutions to be proposed at the AGMs. A copy of this circular and related documents will also be posted to the Company's website www.middlefield.co.uk in the "Press Releases" section.

Procedures at the AGMs

The Board strongly encourages all Shareholders to tender their votes by proxy in advance of the AGMs. Voting by proxy will ensure that your votes are registered, even though attendance at the AGM is possible. Shareholders should consider appointing the chair of the meeting as their proxy. Should Shareholders wish to ask questions of the Directors, please send those by e-mail to the Secretary at Middlefield.CoSec@JTGroup.com or by post to the Secretary at its registered office, 28 Esplanade, St Helier, Jersey JE4 2QP, Channel Islands no later than 48 hours before the times appointed for each of the AGMs. Answers to questions submitted will be uploaded to the "Press Release" section of the Company's website as soon as possible after the conclusion of the AGMs.

Cell AGM – Proposed Resolutions and Recommendations

Cell Special Resolution 1 – to authorise the Directors to issue and allot redeemable participating preference shares ("Shares") and to sell Shares out of treasury

The Fund's Articles of Association (the "**Fund Articles**") provide the Board of Directors with authority to issue further Shares without seeking Shareholders' approval although, unless otherwise authorised by Shareholders, such Fund Shares must be issued on a pre-emptive basis. However, at the Cell Annual General Meeting held on 13 June 2024, the Fund's Shareholders authorised the issue or sale out of treasury of Shares representing up to 10 per cent. of the Fund's issued share capital as at the date of the Cell AGM. Such issues or sales will only be effected in the event of investor demand which cannot be met through the market and will only be conducted at a price equal to or above the prevailing NAV.

The aforementioned authority expires on the earlier of 30 September 2025 or the conclusion of the next Cell AGM. At the next Cell AGM, the Board will be seeking renewal of their authority to issue or sell out of treasury additional Shares. If the proposed special resolution is approved, such authority will remain valid until the earlier of 30 September 2026 or the conclusion of the following Cell AGM.

The full text of the proposed special resolution is included in the notice of the Cell AGM. The Board considers that the proposed special resolution is in the interests of the Company, the Fund and its Shareholders as a whole. The authority to issue additional Shares or sell Shares out of treasury will permit the Directors to grow the Company, thereby reducing the total expense ratio, as costs will be spread across a larger number of issued Shares, and will also enable further diversification of the Company's portfolio.

Cell Special Resolution 2 – to authorise the Directors to make market purchases of Shares

The Companies (Jersey) Law 1991 (the “**Companies Law**”) and the Fund Articles provide the Board of Directors with authority to arrange market purchases by the Fund of its own Shares, provided that such market purchases have been approved by Shareholders pursuant to a special resolution. At the Cell Annual General Meeting held on 13 June 2024, the Fund's Shareholders authorised market repurchases of Shares up to an aggregate of 15,956,442 Shares, being 14.99 per cent. of the Fund's issued share capital on that date (excluding treasury shares).

The aforementioned authority also expires on the earlier of 30 September 2025 or the conclusion of the next Cell AGM. At the next Cell AGM, the Board will be seeking renewal of their authority to arrange market purchases by the Fund of its own Shares. If the proposed special resolution is approved, such authority will remain valid until the earlier of 30 September 2026 or the conclusion of the following Cell AGM.

The full text of the proposed special resolution is included in the notice of the Cell AGM. The Board considers that the proposed special resolution is in the interests of the Company, the Fund and its Shareholders as a whole. The Board has regular communications with the Company's broker to understand market dynamics and changes in the share register. The Board monitors the discount to the prevailing net asset value at which the Company's shares trade and wishes to have the authority, when considered necessary or desirable, to repurchase its own shares in the market to hold in treasury. The Board believes it is important to retain the authority to buyback where appropriate (which in turn is likely to depend on, inter alia, the prevailing discount rating of the Fund Shares, the financial resources that the Company has at its disposal, liquidity levels in the Fund Shares and the size of the Company). Buybacks can confer several benefits on remaining shareholders, including that they are accretive to NAV and can provide additional useful liquidity.

Cell Ordinary Resolution 1 – to receive and adopt the Company's Annual Financial Report (the “AFR”)

The Companies Law requires that the AFR be laid before a general meeting within seven months of the financial year end. This resolution is proposed pursuant to that requirement.

Cell Ordinary Resolution 2 – to re-appoint RSM Channel Islands (Audit) Limited (“RSM”) as Auditor of the Cell

The Companies Law requires that the Fund must at each Cell AGM appoint an auditor to hold office from the conclusion of that meeting until the conclusion of the next Cell AGM and this resolution is proposed pursuant to that requirement. The Audit Committee and the Board have considered the performance of RSM and the quality and cost-effectiveness of its audit and believe that it is in the Cell's best interests that RSM be reappointed as the Cell's auditor.

Cell Ordinary Resolution 3 – to authorise the Directors to determine the Auditor's Remuneration

The Fund Articles provide that the ordinary business of the Cell AGM shall include determining the remuneration of the auditor. For operational efficiency and to enable the Directors to negotiate fees with the auditor, it is proposed that this authority be devolved to the Directors.

Cell Ordinary Resolution 4 – to approve the Directors’ Remuneration Policy

The Fund Articles provide that the Directors shall be entitled to such remuneration as the Board may determine, subject to an aggregate of £180,000 per annum or such higher amount as shall be approved by Cell Ordinary Resolution. The Directors’ remuneration policy is as set out on page 41 of the Company’s annual financial report for the year ended 31 December 2024. Notwithstanding that their aggregate remuneration is significantly below the cap specified in the Fund’s Articles, the Board is offering Shareholders the opportunity to express their views on the remuneration policy pursuant to this resolution.

Cell Ordinary Resolution 5 – to approve the Dividend Policy

The Fund Articles provide that the Directors shall be entitled to pay to Shareholders such interim dividends as they may determine, subject to satisfaction of the requirements of the Companies Law, including the statutory solvency test. Notwithstanding their existing authority, the Board wishes to offer Shareholders the opportunity to approve the continuation of the Company’s current dividend policy, which is set out on page 37 of the Company’s annual financial report for the year ended 31 December 2024.

The Directors unanimously recommend that you vote in favour of both proposed cell special resolutions and the five proposed cell ordinary resolutions, as they intend to do in respect of their own beneficial holdings. In aggregate the Directors in office as of the date of this notice beneficially hold 593,000 Shares.

Cell and Company AGM – Proposed Resolutions and Recommendations

At the Cell and Company AGM five separate ordinary resolutions will be proposed for the re-election of the five current Directors.

The present members of the Board are listed above and detailed biographies of the Directors are set out on pages 26 and 27 of the AFR, which show the strength and depth of the Board and the skills and experience of each individual Director.

Five of the Directors standing for re-election are deemed to be independent of the Investment Manager and its affiliates, with Mr Orrico not being deemed to be independent. As Mr Orrico is not independent of the Investment Manager, he is required by the FCA’s Listing Rules to submit himself for re-election annually. The other four continuing Directors are also offering themselves for re-election in accordance with the recommendation of the AIC Code of Corporate Governance and PIRC’s published guidance.

As explained in the section headed “Board Composition and Succession Planning” in the Chairman’s Report on page 8 of the AFR, the Board has continued to refresh its composition to maintain a progressive balance of diversity, cognitive strengths and experience. The Board believes that the re-election of the five Directors standing for re-election at the Cell and Company AGM is in the Company’s best interests.

The Directors unanimously recommend that you vote in favour of the five proposed ordinary resolutions, as they intend to do in respect of their own beneficial holdings.

Action to be taken by Shareholders

Shareholders will find enclosed with this document Forms of Proxy for use at the AGMs.

You are requested to complete and sign the Forms of Proxy and return them, in accordance with the instructions printed thereon, to MUFG Corporate Markets, PXS1, Central Square, 29 Wellington Street, Leeds, LS1 4DL as soon as possible and, in any event, so as to arrive by no later than 48 hours before the times appointed for the AGMs.

Alternatively, CREST members may submit their proxy voting electronically through the CREST system as explained in more detail in the notes to the notices of the AGMs.

You can also submit a proxy vote online at www.signalshares.com or via the VOTE+ app (refer to the notes to the notices of the AGMs).

If you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io.

For the reasons explained above, should Shareholders wish to ask questions of the Directors, please send those by e-mail to the Secretary at Middlefield.CoSec@JTGroup.com or by post to the Secretary at its registered office, 28 Esplanade, St Helier, Jersey, Channel Islands, JE4 2QP no later than 48 hours before the times appointed for each of the AGMs. Answers to questions submitted will be uploaded to the "Press Release" section of the Company's website as soon as possible after the conclusion of the AGMs.

Yours faithfully

Notes:

- (1) A holder of management shares and / or redeemable participating preference shares of no par value in the capital of the Cell (together "**Shares**") entitled to attend and vote at the Cell AGM is entitled to appoint one or more proxies to attend and vote instead of him. A proxy need not be a holder of Shares. As stated in the Chairman's letter, Shareholders and their proxies will not be able to attend the Cell AGM in person. Shareholders are therefore encouraged to tender their votes by proxy in advance of the Cell AGM and Shareholders should consider appointing the Chairman of the meeting as their proxy (as opposed to appointing someone other than the Chairman of the meeting, who will not be able to attend the Cell AGM in person). A form of proxy accompanies this document. To be valid, the form of proxy should be completed in accordance with the instructions printed on it and sent, so as to reach MUFG Corporate Markets, PXS1, Central Square, 29 Wellington Street, Leeds, LS1 4DL no later than 48 hours before the time fixed for the Cell AGM.
- (2) The quorum for the Cell AGM is at least two Shareholders present in person or by proxy or by attorney. The majority required for the passing of the Cell ordinary resolutions is a simple majority (or more) and for the Cell special resolutions is two thirds (or more) of the total number of votes cast for and against the resolution.
- (3) If, within half an hour from the appointed time for the Cell AGM, a quorum is not present, then the Cell AGM will be adjourned to the same day at the same time and address in the next week or if that date is a public holiday in the UK to the next working day thereafter at the same time and address. At that adjourned Cell AGM, if a quorum is not present within half an hour from the time appointed for the holding of the Cell AGM, those Shareholders present in person or by proxy or by attorney will form a quorum whatever their number and the number of Shares held by them. Again, the majority required for the passing of the Cell ordinary resolutions is a simple majority (or more) and for the Cell special resolutions two thirds (or more) of the total number of votes cast for and against the resolution.
- (4) In the event that a form of proxy is returned without an indication as to how the proxy shall vote on the resolutions, the proxy will exercise his discretion as to whether, and if so how, he votes.
- (5) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Cell AGM and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- (6) In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a **CREST Proxy Instruction**) must be properly authenticated in accordance with Euroclear UK & International Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by MUFG Corporate Markets (ID: RA10) by the latest time(s) for receipt of proxy appointments specified in note (1) above. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- (7) CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this

connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

- (8) The Cell may treat as invalid a CREST Proxy Instruction in the circumstances set out in Article 34 of the Companies (Uncertificated Securities) (Jersey) Order 1999.
- (9) If you are an institutional investor, you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by no later than 48 hours before the time of the Annual General Meeting in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.
- (10) VOTE+ is a free app for smartphone and tablet provided by MUFG Corporate Markets (the company's registrar). It offers shareholders the option to submit a proxy appointment quickly and easily online, as well as real-time access to their shareholding records. The app is available to download on both the Apple App Store and Google Play, or by scanning the relevant QR code below.

Apple App Store	GooglePlay
	

Your vote must be lodged by 48 hours prior to the start of the meeting, in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting.

- (11) Unless otherwise indicated on the Form of Proxy, CREST voting, Proxymity or any other electronic voting channel instruction, the proxy will vote as they think fit or, at their discretion, withhold from voting.
- (12) The Cell, pursuant to regulation 40 of the (Companies Uncertificated Securities) (Jersey) Order 1999 (as amended), specifies that only holders of Shares registered in the register of members of the Cell on the close of business on Tuesday, 17 June 2025 shall be entitled to vote at the Cell AGM in respect of the number of Shares registered in their name at that time or in the event that the Cell AGM is adjourned, in the register of members at the close of business two days before the date of the adjourned Cell AGM. Changes to entries on the register of members after such time or, in the event that the Cell AGM is adjourned, to entries in the register of members after the close of business two days before the date of the adjourned Cell AGM, shall be disregarded in determining the rights of any person to vote at the Cell AGM.
