## Confirmed Reinvested Capital Gains Distributions for Corporate Class Mutual Funds

Below are the confirmed annual special year-end distributions for the Middlefield Corporate Class Mutual Funds (“Corporate Class Mutual Funds”) for the 2025 tax year. These special distributions have been automatically reinvested in additional shares and the resulting shares immediately consolidated so that the number of shares held by each investor will not change. Investors holding shares outside registered plans will have taxable amounts to report and will have an increase in the adjusted cost base of their investments.
