

Infrastructure Dividend Split Corp. Announces Increase to Class A Distribution Rate

Middlefield Limited, on behalf of Infrastructure Dividend Split Corp. (TSX:IS) (the “Fund”) is pleased to announce a 7.1% increase in the Fund’s Class A share monthly distribution rate, raising it from \$0.14/share to \$0.15/share. The distribution increase is supported by continued dividend growth from the portfolio.

Record Date	Payable Date	Distribution Per Equity Share
February 28, 2026	March 13, 2026	\$0.15

Infrastructure Dividend Split Corp. is a corporation designed to provide investors with a diversified, actively managed portfolio of approximately 20 to 25 dividend-paying issuers operating in the infrastructure sector, including regulated utilities, energy infrastructure, renewables and clean technology, transportation and logistics, digital infrastructure/communications, and real estate.

The Class A equity shares trade on the Toronto Stock Exchange under the symbol IS.

About Middlefield

Founded in 1979, Middlefield is an income focused asset manager with offices in Toronto, Canada and London, England. Our investment team has developed a disciplined investment process over many years that seeks to identify attractive opportunities while evaluating the risks that impact returns. Our specialized suite of innovative investment solutions for both individual and institutional investors include Exchange-Traded Funds trading in Canada, the UK, Italy and Germany as well as Canadian Mutual Funds, Split Share Corporations, Closed-End Funds and Flow-through LPs. Our core business currently includes seven income mandates: Real Estate, Healthcare, Innovation, Infrastructure, Energy, Diversified Income and Fixed Income, all of which incorporate our focus on diversification in market sectors and companies which have the ability to generate growing levels of cash flow.

This press release contains forward-looking information. The forward-looking information contained in this press release is based on historical information concerning distributions and dividends paid on the securities of issuers historically included in the portfolio of the Fund. Actual future results, including the amount of distributions paid by the Fund, may differ from the monthly distribution amount. Specifically, the income from which distributions are paid may vary significantly due to: changes in portfolio composition; changes in distributions and dividends paid by issuers of securities included in the Fund’s portfolio from time to time; there being no assurance that those issuers will pay distributions or dividends on their securities; the declaration of distributions and dividends by issuers of securities included in the portfolio will generally depend upon various factors, including the financial condition of each issuer and general economic and stock market conditions; the level of borrowing by the Fund; and the uncertainty of realizing capital gains. The risks, uncertainties and other factors that could influence actual results are described under “Risk Factors” in the Fund’s prospectus and other documents filed by the Fund with the Canadian securities regulatory authorities. The forward-looking information contained in this press release constitutes the Fund’s current estimate, as of the date of this press release, with respect to the matters covered hereby. Investors and others should not assume that any forward-looking statement contained in this press release represents the Fund’s estimate as of any date other than the date of this press release.
